

BACKDROP OPTIONS

A backdrop frame will be erected, and you can select from the options below.

GREENSCREEN BACKDROP – Allows you to choose any digital backdrop from the digital image library..... OR provide your own. You can select between 1 to 4 options with each photo having a different backdrop.

Current traditional backdrop choices

Balloon party

A great choice for a variety of celebrations such as birthdays, engagements, weddings if you want the event celebration to be the primary focus of your memories. Bright and vivid balloon colours.

Cartoon heroes

Ideal for kids parties, particularly if you plan on taking some silly interactive photos using the included props.

Disco stars

Perfect for if a kids disco is included with your booking. Create a wonderful memory of your disco with the bright sparkling colours coming from the disco ball.

Geometric shapes

A wonderful option for more formal events where you want a neutral backdrop that won't dominate the photo and best capture the participants.

Wooden panel

Great for formal events creating an outdoors rustic style of photo to fully capture guests in a more natural setting.
